

**“Talent wins games, but teamwork and intelligence win championships.”**

**We believe that school education is also teamwork which contributes immensely to individuals to meet their aspirations by working and enhancing their basic skills. We at DIVINE ACADEMY SCHOOL make it a point that everyone learns and becomes a kind and able citizen to lead a happy and successful life.**

**DIVINE ACADEMY SCHOOL, which began its journey on the path of serving society is now becoming a fast-growing family with approximately 500 students and their families.**

**Being grateful towards the Almighty and believing in Divine powers, I take immense pleasure and feel privileged to present the Annual Report for the year 2022-23.**

**This year has been a very eventful one for us.**

**“If the mind is intensely eager, everything can be accomplished.” It’s a matter of great importance to us that the students who got pass out in class X from our school should carry forward the values they have inherited, excel in whatever they do and be role models in the society. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world.**

**Before I begin with the academic and curricular activities of the session , I would like to share that our school Divine Academy School got upgradation to senior secondary level from CBSE, and it was a great joy to have this news for which the whole Divine Family was waiting for like anything.**

**Of course, as I said in the beginning of my report, Covid -19 Pandemic has forced all educators to go for a complete transformation of their lessons to online platforms on a very short notice but this year gave us a fresh start to work on our little learners again.**

**Undoubtedly, a word of appreciation to all the teaching and non-teaching staff for their contribution to the institution is worth mentioning here.**

**Let me give you a brief of the activities conducted during this session on various occasions.**

Workshops and Seminars encourage new ideas and facilitate innovation, experiment, Knowledge, Skills and personality development. Workshops were conducted for students on Media literacy and Cyber crime awareness. Various activities are being conducted by the members of **Hub Of Learning** team initiated by **CBSE** throughout the session like Speech Competitions, Show and Tell Competitions, Demonstrating Science Experiments, Hands-on-Activity in ATAL Tinkering Lab and Debate Competitions. Our students excelled in all the activities and secured various positions which helped them to build up their confidence and make us proud.

- To enlighten children about Careers n jobs, proper Career Counseling session was organized by eminent counselors.
- Upgradation of skills is of utmost importance for teachers. Keeping this in mind our teachers attended the online sessions conducted by CBSE regularly. Various Seminars and workshops has also been attended by the various staff members to upgrade their skills and knowledge.

### **Conclusion**

Our aim is to be one of the leading schools in the community and we hope, we will be recognized a model for excellence in academics, art n culture and Sports. Each student will demonstrate a spirit of respect, responsibility and a commitment to academic and civic excellence. We will continue our unceasing effort to offer better provision of education to our students.

Hence, I could not find better lines than the following ones from Robert Frost's poem 'Stopping by Woods on a Snowing Evening' to have a pause this time for presenting progress report of our institution next year again.

**"The woods are lovely, dark and deep  
But we have promises to keep  
And miles to go before we sleep  
And miles to go before we sleep".**

**Thank you all! God bless us all!**
